Rededication of the Church—Some of the Donors—Locals.

(Alice P. Massey, Correspondent.)

The rededication of the church was held here Tuesday and Wednesday with a good attendance. Several from out of town attended. The church is certainly a credit to North Danville. It is the same as a new church, new under-pinning, steel ceiling, paint, paper, hard wood floors, new pews, new pulpit furniture and windows, given by individuals, seven in all. The good work began when the Rev. J. B. Higgins was here. Electric lights and water were put in and the ball set rolling. Mr. and Mrs. Harvey Varnum gave an organ worth \$200; T. N. Vall of Lyndonville, \$100; George Carey of St. Johnsbury, \$25; Norris Pope of California, \$25. It is a very pretty church. Wednesday afternoon the Rev. Burdett Lyndon, a former pastor here, spoke and was especially enjoyed by old friends. In the evening

Worms Sap Children's Health

Mothers often wonder why their children are not rugged and hardy. In a vast number of cases the trouble is—Worms.

Signs of worms are: Deranged stomach, swollen upper lip, sour stomach, offensive breath, hard and full belly with occasional gripings and pains about the navel, pale face of leaden tint, eyes heavy and dull-twitching eyelids, itching of the nose, itching of the rectum, short dry cough, grinding of the teeth, little red points sticking out on tongue, starting during sleep, slow fever.

Dr. True's Blix, the 60 years time-tried Family Laxative and Worm Expeller, will expel the worms and restore the vim and vigor to your child. Good for adults also. Mr. Horace Cheney, of Belmont, Maine, reports that he buys 12 large bottles at a time, 35c, 50c and \$1.00 at all dealers. Advice free. Special treatment for tapeworms. Send for book.

He was nine years of age at the death of his mother and until he left home to begin his career his boyhood days, when not in school, were spent in his father's studio in Great Falls. On leaving home he worked for sometime in the Portsmouth Navy yard. In 1862 he enlisted in the 12th N. H. Vol. and was the last member of the G. A. R. Post No. 10 of Warren. He was a member of the parties who spent the first winter on the summit of Mt. Moosilauke and the second on Mt. Washington, where they encountered thrilling experiences. Later following a decided artistic bent he engaged in work on portraits and pastels, India ink, water colors and oils, first in Springfield, Mass., and later in Warren, Lakeport, Ashland and Meredith, where he established studios. After his marriage to Miss Nettie Emery of Newton Falls, Mass., he continued his studio work and later came to Wells River and continued his work in the Blue and the Backup blocks. He built the first skating rink in this section, now the Henderson block and was the pioneer in developing into an attractive summer resort Lake Morey, then known as Fairlee pond. Mr. Bracy not only had the artistic temperament but was fond of outdoor sports, a passionate lover of music, especially as a player of the harp. He spent several of his later winters in the south where he was accompanied by his devoted wife. He was a member of I. O. O. F. and Rebekah Lodges and of Moosilauke Lodge, No. 63, F. & A. M.

For a year she had been steadily failing in health and her going was not unexpected. Her life was one continuous chapter of ministry. To high and low, rich and poor, she went with equal grace, as her Lord gave her ability to serve; not that she had any need so to spend her strength, but when the distress of others appealed, she had no heart to refuse. And so her life became a rich investment in human service. As a member of the Congregational church in Peacham she was devout and faithful. For a quarter of a century she was treasurer of the Foreign Missionary funds of the Woman's Missionary society. Lucy Eleanor Watts, born in Peacham, March 8, 1847, was the daughter of Lyman Watts and Roxanna Walbridge. She was married to Charles A. Choate, Aug. 20, 1871, but after 11 years was bereaved by his death, April 7, 1902.
